Dear Mr. Shelton:

Our letter of 13 August 1956 concerning an accident between an Agency truck and one owned by your Company has not been answered and we assume it was misdirected or inadvertently mislaid.

On July 20, 1956, a Ford truck, license number D.C. CA 3721, owned by your Company and operated by Mr. Russell B. [REDACTED], backed into a parked truck owned by this Agency while our truck was parked at the loading dock of temporary building "Y", 20th and East Capitol Street, N.E. The circumstances indicate the accident resulted solely from the negligence of your driver and therefore it is requested that you reimburse this Agency for the cost of repairs.

Three estimates of the cost of repairs to the Agency truck are enclosed. Your check in the amount of \$36.50 should be made payable to the Treasurer of the United States.

Very truly yours,
